

I want to share with you, that in a couple weeks we will be starting our Annual Support Campaign, this year's theme is "Together We Make a Difference".

With the generosity of our YMCA community in donations and volunteer service, we will continue to make a difference:

- A difference in the lives of the children who received meals that we brought to their neighborhood through the Summer Food Program, serving 30,000 meals during the summer of 2009.
- A difference in the families who benefit from financial assistance through our "Open Doors" program; for membership, youth programs including childcare and youth sports. We have touched the lives of hundreds of people by awarding thousands of dollars through our Open Doors Program.
- A difference in the lives of people with disabilities who need our pool for therapy, our fitness areas for their spirit, the children in Day Camp, the children in After School programs here at the Y. and at our school sites based programs in the community. We continue to make a difference in the lives of our teenagers who know the Y is a safe haven and our senior citizens who are the backbone of our community and count on our programs everyday.

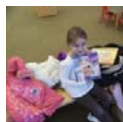

We would like to ask you to consider a donation to the Annual Support Campaign, or to sign up as a volunteer to help our efforts with the campaign. Below you will find a pledge card, please fill it out with your donation or commitment to volunteer and drop it off to Margaret Dowling our Development Director.

The perk; knowing that you are making a difference and an E-Green Travel Mug with the "I Care" YMCA logo. Keep a lookout for another Member "perk" for March!

Thanks for being a member of the Cheyenne Family YMCA.
