

TOGETHER WE MAKE A DIFFERENCE

YMCA 2010 ANNUAL SUPPORT CAMPAIGN

Each year the YMCA strives to meet the needs of our community and every year the needs grow. Your donation to our Annual Support Campaign allows for us to continue to meet the needs with our "Open Doors" program which helps families in need of financial assistance participate in YMCA programs and services.

We bring together young and old, men and women, people of all faiths, backgrounds and incomes. No one is turned away for inability to pay. Scholarships, subsidies and outreach provide critical access to low-income families. Your contribution helps us collaborate with other agencies to help our community.

While the need is great, you can make a difference. Each dollar contributed to the 2010 Annual Support Campaign goes directly to our "Open Doors" program, making YMCA programs and membership available to those in need. Please give generously.

COMMUNITY

The Cheyenne Family YMCA is a safe place for our community. Our children are encouraged to play, learn, and grow. Our sports programs encourage good sportsmanship and respect for others.

At the Cheyenne Family YMCA, children find a home away from home and we enjoy having them with us, as they grow in mind, spirit and body.

TOGETHER WE MAKE A DIFFERENCE

HELP US BUILD STRONG KIDS.

Together We Build Strong Kids

Every day, the Cheyenne Family YMCA helps children and youth deepen positive values, their commitment to service and their motivation to learn. We are part of the nation's largest provider of child care.

Through our YMCA programs we strive to enrich the lives of children with a large variety of programs that emphasize physical and mental well-being, along with positive attitude and good sportsmanship. We encourage the important character values of caring, honesty, respect and responsibility.

One cannot put a price on the strengthening and enriching the life of a child. At the Cheyenne Family YMCA, this is at the heart of all we do.

Our Mission

The purpose of the Cheyenne Family YMCA is to provide services to youth, adults, and families through physical, mental, and educational programs designed to cultivate physical, mental, and spiritual well being.

You Make the Difference

Everyone in our community is welcome at the Cheyenne Family YMCA where we come together to build a healthy mind, spirit and body.

Our Goal

Our goal for 2010 is to touch more lives of people who live in our community than we have in the past. Your donation helps us to make a difference in those lives we touch.

Together We Build Strong Families

One YMCA strengthens the bond between parents and children by offering a safe, comfortable and fun environment in which to play and grow together. We provide a variety of programs like our Family Fun Nights, YMCA Adventures Guides, and Parent-child Zumba that offer many opportunities for families to spend quality time together.

Together We Build Strong Communities

Look to the Cheyenne Family YMCA to be at the heart of the community offering regular programs each day for youth, teens, adults, seniors and families to play and learn in a safe, fun environment. We offer opportunities for fellowship for members and non-members alike as we connect with people from all areas of the community.

Together we form a bond that is based upon improving health and fitness, building self-esteem, recognizing the needs that exists in our community and the larger society. Seeking solutions to those those needs present is our on going focus of our YMCA.
