

Parents,

The kids had a great week in the after school program. They learned how to draw a cartoon monkey, had a french chocolate sandwich, (it taste better than it sounds), and learned how air in seltzer water stuck to raisins and make them rise to the top of the water, then sink again, over and over. The kids also selected what bills their after school legislature will be voting on soon. They will be taking a trip to see the Wyoming Legislature in action very soon too.

On Tuesday, they were released early from school and enjoyed wax paper skating, building with newspapers, swimming and much more.

Register your child for just the weeks you want and reserve them a slot for the activities we have planned for this summer, including: swimming, field trips to local businesses, hiking trips to Veda woo, trips to local parks, movies and much more! Come on by on Saturday, February 6, 2010 to get answers to all of your questions and reserve a spot for your child!

Call 634-9622 x27 with questions.

## PRESCHOOL AND MINI CAMPERS DAY CAMP

The Cheyenne Family YMCA has immediate openings for your toddler or preschooler. The preschool uses the Creative Curriculum to inform daily activities and classroom setup. Children in the preschool program are assessed using the Laramie County School District Pre-Kindergarten Screening to ensure all children enter school ready to excel! Those children preparing for Kindergarten in the fall of 2010 are eligible for the Mini Camp this summer, which is a Day Camp for preschoolers that will offer a variety of field trips, activities and opportunities for the same price as attending the preschool program. Call the YMCA for more information on the preschool program or the mini camp at 634-9622 x27.

Thanks
